1400 Preston Rd Suite 400, Dallas, TX 75093

email: bblowmd@mdconsultdallas.com

Work Phone: 214.551.5514

Cell Phone: 409.789.1139

SUMMARY OF EXPERTISE

Dr. Benjamin Blow is triple board-certified in Pulmonary Diseases, Critical Care Medicine, and Internal Medicine. His patients are among the most vulnerable. He cares for patients with lung and respiratory illnesses and disorders in hospital and Intensive Care Unit settings. He is skilled in the recognition, diagnosis, and management of a vast spectrum of adult diseases. He has worked in a variety of settings from rural-underserved communities to the most advanced urban tertiary referral centers.

Dr. Blow works for Dallas-Fort Worth's largest pulmonology/critical care private practice group that provides care to numerous area hospitals. He actively supervises and teaches resident physicians and advanced practice providers such as nurse practitioners and physician assistants. Dr. Blow enhances his clinical experience by choosing to perform Locums work, independent travel work, that allows him to benchmark his clinical skills in new hospital environments and provide care in a variety of settings.

Dr. Blow is well known for his clinical diagnostic skills and has been awarded honors for clinical excellence and teaching. Dr. Blow has led multiple hospital-wide quality committees and is well-versed in clinical best practices and guidelines. He is committed to ensuring that all patients receive the best care.
